

Participare INCDE ICEMENERG la 9th International Conference on ENERGY and ENVIRONMENT (CIEM 2019), 17 octombrie 2019

Lucrari INCDE ICEMENERG prezentate la CIEM 2019:

***Establishment of the accessibility limit for the furans content of the electrical insulating oils in service*, Published in: 2019 International Conference on ENERGY and ENVIRONMENT (CIEM), IEEE Xplore 2019, ISBN:978-1-7281-1533-7, DOI: 10.1109/CIEM46456.2019.8937636, autori: I. Chera-Anghel, E. Gatman**

***Increasing the economic efficiency of a cogeneration plant through heat storage and trigeneration*, Published in: 2019 International Conference on ENERGY and ENVIRONMENT (CIEM), IEEE Xplore 2019, ISBN:978-1-7281-1533-7, DOI: 10.1109/CIEM46456.2019.8937687, autori: E. Minciuc, R. Patrascu, G. Darie, S. A. Adam, Ligda, C. Mandrean C., A. Adam**

***Experimental determination of turbine flow rate using velocity-area method. study case: micro-hydro units equipped with eos type turbines*, Published in: 2019 International Conference on ENERGY and ENVIRONMENT (CIEM), IEEE Xplore 2019, ISBN:978-1-7281-1533-7, DOI: 10.1109/CIEM46456.2019.8937657, autori: C. Purece, I. Chera-Anghel**

***Study and research on the effects of using fineamin as a modern solution for conditioning the feed water of energetic or industrial steam generators*, Published in: 2019 International Conference on ENERGY and ENVIRONMENT (CIEM), IEEE Xplore 2019, ISBN:978-1-7281-1533-7, DOI: 10.1109/CIEM46456.2019.8937596, DOI: 10.1109/CIEM46456.2019.8937596, autori: C. Barbu, A. Adam, A. Lăpădat**
